

# MATT VINALL

Web Developer

## PERSONAL PROFILE

I am a web developer that has a passion for creating fun and memorable experiences for users on the web.

Prior to my jump to web development, I was working in sales and management, where I learned the importance of problem solving, being able to work in a team, and challenged myself to push outside my comfort zone.

## PROFESSIONAL EXPERIENCE

### Assistant Store Manager

*Bell Canada | 2016 - 2018*

- Assisted the store manager with weekly coaching logs for reps and provided actionable steps on how to improve store sales results.
- Actively engaged myself in self-development to become a better manager through leadership books and TED Talks.

### Team Leader

*Solstice Business Solutions | 2015-2016*

- Led and managed a team of door-to-door sales reps, working 100% commission.
- Awarded top leader in the company for exemplifying a relentless work ethic, student mentality, and a positive attitude.
- Consistently hit individual and team sales quotas on a weekly basis of \$500 in commission per rep.

## EDUCATION

### HackerYou College of Technology

*Full Time Web Development Immersive Bootcamp | 2018*  
*Part-Time Web Development Fundamentals | 2018*

### University of Waterloo

*Honours Legal Studies and Sociology | 2012 - 2016*
